

Listed below are common ICD-10-CM codes related to synucleinopathies, small fiber neuropathies, and autonomic neuropathies. This list may be a useful reference tool; however, it is not a complete list. Please refer to an ICD-10-CM manual for a complete listing.

## SAMPLE OF RELEVANT ICD-10-CM CODES

G20.A1	Parkinson's disease without dyskinesia, without mention of fluctuations
G20.A2	Parkinson's disease without dyskinesia, with fluctuations
G20.B1	Parkinson's disease with dyskinesia, without mention of fluctuations
G20.B2	Parkinson's disease with dyskinesia, with fluctuations
G20.C	Parkinsonism, unspecified
G31.83	Neurocognitive disorder with Lewy bodies
G47.52	REM sleep behavior disorder
G60.3	Idiopathic progressive neuropathy
G90.3	Multisystem degeneration of the autonomic disorder
G90.9	Disorder of the autonomic nervous system, unspecified
M79.2	Neuralgia and neuritis, unspecified
R20.2	Paresthesia of skin
R41.840	Attention and concentration deficit
R41.841	Cognitive communication deficit
R41.842	Visuospatial deficit
R41.843	Psychomotor deficit
R41.844	Frontal lobe and executive function deficit

Listed below are two common medical procedure codes related to skin punch biopsies for clinical and out-patient settings.

## SKIN BIOPSY CPT CODES

11104	Punch biopsy of skin (including simple closure, when performed) single lesion
11105	Each separate/additional lesion (list separately in addition to code for primary procedure)

The information provided contains general reimbursement information only and is not legal advice, nor is it advice about how to code, complete, or submit any claim for payment. The information provided represents CND Life Sciences' understanding of typical current reimbursement conventions. The diagnoses codes are common ICD-10-CM codes, but clinicians are not limited to using these codes. A reasonable effort has been made to ensure the accuracy of the information listed. However, the ultimate responsibility for selecting diagnoses codes, appropriate charges, wording, modifiers, and for submitting claims consistent with the insurer requirements, lies with the physician, clinician, hospital, or other facility.
